6) The proposal in this case is
to create the post of an Assistant
to the Council clerk with Rs 20-1-25

Mr S R Bhambore is a Loan clerk as
well as a Council clerk. In order
to assist him in the Loan work,
a post has been created with Rs 20-1-25
and it has been decided to be filled up early
to recruitment rules (rule 1 & 40

Lb 897-9 / mt 10-41-1985 12 / 1944,
it is for orders if an other post maybe
created in Rs 20-1-25 - to help him in
the Council work

7) The President (Mr. J. B. Kishna Murthy)
letter is for perusal. The appointment
seems to be recommended with a view to
create a place for one Mr. Kishna Murthy
or it is difficult to concede that the work of
Mr. Bhambore is so onerous or arduous
to require two assistants being given to him.
Such a proposal would also increase the
recurring cost under establishment charges of
the M. H. Dept. from the necessity of fresh appointment.

8) The President has put forth a special
pleading on behalf of Mr. B. S. Kishna Murthy. Even
granting that the post is sanctioned, it is for
consideration of the Government to be given to the said
individual irrespective of the rule of recruitment.

C Narayanaswamy Naidu, Esq , B A , B L ,
Secretary to the Government of His Highness
the Maharaja of Mysore,
Law Department, Bangalore

With reference to the correspondence ending with your letter No L 7833/MI 10-42-81 dated 8th February 1943 regarding the creation of the post of an Assistant to the Council Clerk of the City Municipal Offices, on a pay of 20-1-25, I write to state that this question also has to be considered in view of the present posting of the clerks Mr S R Bhombore who was formerly working as Loan Clerk and Personal Clerk to the President, has since been posted as the Council Clerk in addition to his duties of the Loan Clerk of the Municipal Offices At present as his work as Council Clerk and Loan Clerk is very heavy one Mr B S Krishna Murthy, an S S L C who is drawing his pay as a menial, is posted to assist Mr S R Bhombore in his Council work and even though this employee is an S S L C drawing his pay as a Menial he is doing the work of an Assistant Clerk in the Council Section The work in the Council section has considerably increased with the growth of the Municipality and it is impossible for one clerk to function efficiently without an Assistant Clerk, and it will not be equitable to extract from an educated person, clerk's work and pay him a menial's salary Thus it is necessary that the post of an Assistant to the Council Clerk on 20-1-25 be sanctioned so that one S Ramachandra Rao now working as Librarian on Rs ~~16/-~~ 17/- in grade 15-1-20 might be appointed to the newly sanctioned post as Assistant to the Council Clerk and this B S Krishna Murthy

be absorbed as the Librarian in grade of 15-1-20 as resolved by the Municipal Council on 4-11-1942 which was already communicated to the Government. In this case the proposal of appointing a person working in inferior service to superior service may kindly be got sanctioned by the Government even though it is to some extent contrary to the C R B rules, in order to promote efficiency and confidence among the Municipal subordinates who have been working in this Office for a long time. These proposals would not cost the Municipality much financially and I feel, it will promote efficiency and loyalty in the Municipal Employees to a great extent. The Government may kindly be moved to treat this case as a special one and encourage the said subordinates who have put in very faithful and honest service for these years in the Municipality.
